

The Twin River Public Schools invites you to assist us in our “Nebraska Child Find” efforts. This is an ongoing statewide search for all unserved children with disabilities, ages birth through 21.

If you know of a child who is experiencing difficulties with motor development, speech and language, vision, hearing or learning, please refer the parent to the number below. Our school district will provide an educational evaluation at no cost to the parent. If the child qualifies under Nebraska law, a free and appropriate educational program will be developed to meet his/her educational needs.

To contact us, please call Donald Graff, Superintendent of Schools, at 402-993-2274. You can also contact Nebraska Child Find at (888) 806-6287 (toll free).
