

Note to District Patrons:

Twin River District Building Improvement Committee

The BOE have selected their patrons to serve on the District Building Improvement Committee. The committee will be involved in the process of researching and gathering information about the current Twin River building situation and the possibility of future projects. The committee met and discussed district needs on April 3rd and will be meeting again in May. Community committee chairs are:

-Amanda Hinkle 308-773-8273 of Silver Creek;

-Jen Miller 402-495-2037 of Monroe;

-Sue Nelson 402-495-2800 of Genoa.

These individuals will be contacting community patrons to discuss the District's Building Improvement needs.

Genoa Site Open House

There will be an open house at the Genoa site on Tuesday, April 29th from 5:00-7:00 p.m. This will give district patrons the opportunity to tour our current facilities and ask any questions concerning the building and its use. Patrons should enter the building through main office door on the high school side. Tours will leave at 5:00/5:30/6:00/6:30.

Silver Creek Site Open House

There will be an open house at the Silver Creek site on Monday, May 5th from 5:00-7:00 p.m. This will give district patrons the opportunity to tour our current facilities and ask any questions concerning the building and its use. Patrons should enter the building through door on the south side.

Kindergarten Round-up

Kindergarten round-up will be held on Monday, May 5th. Genoa site attendees will meet from 6:00-7:00 p.m. Silver Creek site attendees will meet from 7:00-8:00 p.m.
